## WHAT OUR CUSTOMERS SAY...

"Thanks for everything, just to let you know it all went well... the staff were brilliant, the food was great and everyone had a great time, and commented on what a great place it was. I'm sure you will have lots of people coming back to you!"  
**SARAH & JONATHAN'S WEDDING PARTY**

"I just wanted to thank you and your team for a fantastic party on Sunday. We had an amazing night, the food, the music and the venue were perfect and everyone had a great time. Please thank all your team personally from me. I hope to see you all again soon."  
**PETER MCDERMOTT'S 50TH BIRTHDAY PARTY**

"I had my 30th birthday party at Cubana on a Sunday afternoon/evening in February 2010. The salsa instructor was fantastic and got things going, and the lesson was great fun. It got everyone talking and dancing and soon all were enjoying themselves. Not everyone wanted to dance but the on-lookers were having a good time too, mainly laughing at our efforts!! The buffet was lovely and many of the guests commented on how good the food was, and I certainly enjoyed it. The rest of evening Cubana's Latin DJ played a mix of Salsa and funky disco. The layout for Cubana certainly suited this type of party as there is a good dance floor and also an area to eat. The bar staff were excellent. Cubana owner Adrian Bagnoli organised the event for me, and this made it effortless!  
Overall, I would definitely recommend Cubana for a party. I enjoy this music, food and salsa dancing, but even those who had their first attempt at salsa dancing said what a great time they had. I could not stop smiling throughout the whole night. Thanks to everyone at Cubana!"  
**KATE'S 30TH BIRTHDAY PARTY**

Sorry its taken so long to say thank you for a fabulous party for Ellie's 18th. I'd like to thank all the staff for generating the party spirit and their helpfulness & friendliness. In particular Monica made sure things ran smoothly and Nicolai got things warmed up with the salsa lesson. It was a great atmosphere and brilliant value for money. Everyone is still talking about it & a few people have said they would like to have their party there - so I hope you get more bookings from it. **JOY BERMINGHAM, 18TH BIRTHDAY PARTY.**

"Just to let you know we had a great time last Sunday. My daughter Liz said she wanted something a bit different for her 21st instead of the usual 'disco/buffet evening thing.' Our Sunday afternoon at Cubana was lovely, a really chilled out atmosphere, perfect for catching up with old friends and meeting new ones. The food was superb, everyone commented how much they enjoyed it. Staff were lovely and attentive and looked after everyone. Thankyou for making our day really special."
